

LOS ANGELES COUNTY DEPARTMENT OF PUBLIC WORKS FLOOD MAINTENANCE DIVISION

VAL VERDE RAIL & TIMBER STRUCTURE D SEDIMENT REMOVAL AND DISPOSAL STARTING THURSDAY, FEBRUARY 24, 2011

The Los Angeles County Public Works Department will conduct a sediment cleanout of the Rail & Timber Structure D in Val Verde starting Thursday February 24, 2011. The cleanout is expected to take about one week to complete, depending upon weather conditions. The sediment will be taken to the May Sediment Placement Site (SPS) in Sylmar along the route described below and as seen on the map. County crews and contractors are scheduled to work weekdays from 7:00 a.m. to 6:00 p.m.

Routes:

- From Structure D to May SPS:
Take Borton St., to San Martinez Rd., to Chiquita Canyon Rd. South, to Highway 126 east, to Golden State 5 Freeway South, Foothill Freeway 210 East, to Roxford St., to Olive View Dr., to the SPS entrance.
- From MaySPS to Structure D
Take Olive View Dr., to Roxford St., to Foothill Freeway 210 West, to Golden State 5 Freeway North, to Highway 126 West, to Chiquita Rd. North, to San Martinez Rd. to Borton St. to the entrance or Structure D.
